

biospec[®] MD

Homogeneous sheet flooring MCare[®] anti-microbial and Quantum Guard[™] HP finish

clean environments, low maintenance
HIGH PRIORITY

secondary infections "THE FACTS"

- 1 in 10 patients are infected annually (2 million people)
- 95,000 fatalities annually result from secondary infections
- Industry cost ranges from \$6 to \$11 billion each year
- Medicare/Medicaid no longer cover the additional costs
- Other private insurers will no longer reimburse for secondary infections
- 92% of most hospital infections can be prevented
- Sanitizing surfaces is a critical component against secondary infections

15201 oyster white

15202 bisque

15240 cool beige

15203 sandrift

15246 bright white

MCare[®] anti-microbial benefits

- Inhibits a wide range of bacteria and mold growth
- Reduces product deterioration due to premature degradation, odor & staining
- Testing results show efficacy against MRSA-Staph, C-Diff and E-Coli bacterium
- Lab results show a 99% reduction in microbial growth after 24 hours using MCare. Efficacy results are third-party certified

Escherichia coli bacteria growth

Escherichia coli MCare[®] anti-microbial inhibits growth

Staphylococcus aureus bacteria growth

Staphylococcus aureus MCare[®] anti-microbial inhibits growth

Quantum Guard[™] HP benefits

- Quantum Guard[™] HP is a patented high performance wearlayer with urethane aluminum oxide topcoat cured by a UV process which can eliminate the need for polish over an extended period of time depending on the amount of commercial traffic
- Quantum Guard[™] HP, can eliminate the need for harsh cleaning agents, strippers and polishes due to its cleanability and durability

environmental attributes

- Certified NSF-332-2007 Gold Level
- Certified under FloorScore – an independent 3rd Party IAQ verification system for low emitting flooring. Approved as CHPS 01350 compliant and recognized in LEED EQ Credit 4.3
- Adhesive meets VOC content limit of SCAQMD Rule #1168
- ISO 9001/14001 registered manufacturing facility
- Made in USA
- Contributes to LEED credits

cleaning and maintenance

- Sweep regularly and damp mop as necessary to remove ground-in dirt and spills
- Use a diluted non-alkaline cleaner to maintain appearance, rinse and allow to dry
- For maximum efficacy in aseptic areas, no polish is necessary
- For non-aseptic areas, polish is recommended near exterior doors and high traffic areas

product specifications

- Homogeneous sheet flooring
- 6' (1.83m) width
- ASTM F-1913 Exceeds
- Limited 5-Year Commercial Warranty
- Limited 5-Year Quantum Guard HP Finish Warranty
